

A woman with long hair, wearing a dark patterned top, is looking at a tablet computer. She is standing in front of a window or balcony railing, looking out at a city at night. The scene is dimly lit with bokeh light effects from city lights. The word "ADVERBS" is overlaid in white text on the left side of the image.

ADVERBS

ADVERBS

An adverb modifies a verb and shares more information about it, including how much, when, where, why, or how. For example:

- She **gleefully** skipped down the street.

- He arrived **early** for his job interview.

- I **almost** missed the ball.
